CHRISTMAS DAY

Step into the heart of the Cotswolds this Christmas and celebrate the big day in the cosy, welcoming surroundings of The White Hart Inn.

Nestled in the picturesque town of Winchcombe, we invite you to relax and indulge in a truly special festive experience, where the charm of a traditional country Christmas comes to life.

Start your celebration with Champagne and canapés before settling in for a seven-course feast that captures the flavours of the season. From rich lobster bisque and delicate pear, walnut & Oxford Blue cheese tart, to classics like roast turkey with all the trimmings and indulgent Beef Wellington — every dish is crafted to delight.

Finish with festive favourites such as traditional Christmas pudding, a decadent chocolate & raspberry Yule log, or our mulled berry tiramisu.
