## FESTIVE AFTERNOON TEA

Take a break from the bustle of the season and enjoy a cosy afternoon at The White Hart with our indulgent Festive Afternoon Tea.

Set in the heart of Winchcombe, it's the perfect way to relax, catch up with friends, and soak up the charm of Christmas in the Cotswolds.

Tuck into a selection of seasonal finger sandwiches, freshly baked scones with cranberry jam and clotted cream, and sweet festive treats – all served with your choice of Clipper tea or coffee.

For a touch of sparkle, why not add a glass of Prosecco for only £5. A little festive luxury to share.
